### JACKIE STONE

Hello! My name is Jackie Stone. My husband Evan and I have been attending 3 Crosses with our four children for 2 years now. I grew up in Castro Valley and have lived and worked here my entire life. I currently teach history at Castro Valley High School. I'm also the CVHS Swim Coach and lead the Creekside Middle School Washington DC trip each summer. My children attend Chabot Elementary and Creekside Middle School. Chances are if you are involved in Castro Valley schools, I will meet you at some point! I served as a high school leader at our previous church for over 15 years and when we came to 3Crosses, it was very clear we needed to get connected somewhere.

I have been serving with 3Crosses Kids for almost a year now. I serve in the 1st-3rd grade room on Sundays.

Why did you decide to serve with 3Crosses Kids? Working with children is one of the most rewarding ways to serve God. As a parent, I know that it's such an important time to be able to fellowship with peers and be sure that your own children are in good hands. Having four of my own children, I am so grateful for programs that allow me that time each Sunday to do that. Serving is my way of giving back for all of those times that my own children were being looked after. As a leader, it's super rewarding to be able to share God's love with kids. Jumping, shouting, singing and praising with high

energy reminds us all that God's love is simple and pure. It's great to be able to have fun and see the word brought to life through these young people we work with.

Share a memorable moment while serving with 3Crosses Kids? I absolutely loved our Christmas program this last winter. I got to serve in front of the living nativity scene—which was really just a petting zoo with some of our favorite leaders playing Mary and Joseph. It was absolutely freezing, but everyone had so much fun! Every single person had a smile on their face as they waited in line to pet the animals and watch the goats climb all over the leaders. It's awesome to be able to volunteer at these community outreach events.

What is your favorite part about serving with 3Crosses Kids? When I first started helping, a couple of my own kids were in the same classroom with me, it was amazing to be able to be in there watching them participate in the activities, especially worship. I still love worshipping with the students and when we have the live band come in, it's even better. The students love to dance around and sing and it's great to be part of that.
