

Community Group

Etiquette Guidelines

Please review the Guidelines below as a group. You may wish to review these guidelines with your group throughout the session. If you have any questions, please feel free to contact AJ Vanegas at avanegas@3crosses.org.

1. We encourage you to be open and authentic with one another. This is a chance to connect with others in a safe, supportive environment. Please maintain & respect confidentiality within your group.
2. An attitude of love and respect among the group should always be maintained by trying not to monopolize the conversation and/or focus on negative aspects of parenting, marriage, children and/or relationships.
3. Remember we are not perfect, just striving to be better. Be mindful of how you are receiving someone else's comments and be careful of giving advice or judging one another.
4. Please do not sell or promote any products or services at your group or through email.
 - a. Your group's e-mail addresses and phone numbers are to be used only to communicate prayer requests and group details.

We'll be sending out other group leadership resources throughout the 8-week Home Community session through email.
