

SUNDAY SAFARI

WE MUST BE BORN AGAIN

New year, new you, right? In the story of Nicodemus Jesus tells him that he needs to be “born again”, but Nicodemus is super confused - he can’t be born again from his mom; that’s impossible. But Jesus was talking about being born again by the Holy Spirit through faith and salvation in Him. It’s the most important birth we can have and it is what truly makes us a NEW CREATION! He’s ready to change our lives in the greatest ways possible, if we are ready to let Him!

EXPLORING AS A FAMILY:

1. What is something you want to do differently in the new year?
 2. What is something about you that has changed this past year?
 3. Would you say you've ben “born again” through Christ? When did that happen in your life?
 4. How has knowing Jesus changed your life? Or how has knowing more about Jesus changed your life?

THIS WEEKS FAMILY ADVENTURE:

We often make a lot of goals about things we want to change in the new year, but instead of thinking about what you want to change as a famiy, take a moment to **LOOK BACK** on all the goodness God has given your family this past year. Scroll through photos, remember the best parts, write a thank you letter to God for all He’s done!

*This week’s story is about Nicodemus and can be found in John 3:1-21.
Be sure to check it out as a family together!*
