May - Week 1

A new chapter in God's story means a new BIG IDEA: Jesus TRANSFORMS our lives! This week, we learned how He transforms us through the story of Peter and the beggar in Acts 3. Peter is empowered by God to be used in the beggar's life in a HUGE way when the beggar is healed! He could never walk before, but Jesus used Peter to heal him!

Draw a picture of what you think this scene from the Bible may have looked like!
