

SUNDAY SAFARI

NOVEMBER REVIEW AND APPLICATION

This month we learned straight from moments Jesus preached. We learned about being different than the world, about prayer, and about letting go of worry as we follow Jesus. Following Jesus isn't always easy, but it is always, most definitely worth it. It's the greatest adventure we could ever go on and He is ready to help us all along the way. Today, we remember what He has taught us this month as we get ready for the new month ahead!

EXPLORING AS A FAMILY:

1. What was your favorite thing that happened this week?
 2. What are you excited about in the week ahead?
 3. What is one thing that you are thankful for?
 4. What is something that you want to ask God for?
 5. What is something God taught you this month?

THIS WEEK'S FAMILY ADVENTURE:

It's officially Christmas time, but before you dive into movies, presents, and all the traditions, take time as a family to think about who needs to hear the good news of Jesus' birth in your life. Write down the names of people you want to share the real meaning of Christmas with and put them up in your house. Then, start praying for chances to share because God is ready to move!

*This week's story is from Matthew 6:25-34
check it out as a family together!*
