

SUNDAY SAFARI

THE BEATITUDES

We are different. At least, as Christians, we should be different than the world. When Jesus was preaching to the crowds, He gave examples of how Christ followers (Christians) should respond differently to life, because, well, we have ETERNITY with Him to look forward to. It isn't always easy to be different than the rest of the world, but God has given us His word as a guide.

And the beatitudes are just one of the examples we can learn from.

EXPLORING AS A FAMILY:

1. What is something about you that makes you different than the rest of your family? What makes you different than your friends?
 2. Is being different always easy? How can being different sometimes feel hard?
 3. How does following Jesus make you different?
 4. How can you be different than the rest of the world and share about Jesus?

THIS WEEK'S FAMILY ADVENTURE:

It's the month of Thanksgiving so let's start it off right and create a "gratitude (thankful) jar". You can decorate it up or leave it plain and simple, but the goal is to write things you are thankful for as a family each day to fill it up all month long!

*This week's story is from Matthew 5:1-12
check it out as a family together!*
