

SUNDAY SAFARI

WHO IS THE GREATEST?

Have you ever wanted to be the BEST? The best in class, the best at a certain sport, it doesn't matter what it is about, but we all have moments where we want to be known as the BEST and that was true for the disciples. The thing is, Jesus let them know that being the "best" isn't what's important, He said that putting others first was way more important. That might mean living and acting differently than the world, but we certainly won't regret it!

EXPLORING AS A FAMILY:

1. Who are some of the "greatest" athletes, singers, actors, etc. that you can think of?
 2. What makes them great?
 3. What is something you would love to be great at?
 4. What do you think it meant to put others first?
 5. How can you put someone else first this week?

THIS WEEKS FAMILY ADVENTURE:

Let's try being GREAT at putting others first this week. Think of how you can help at home in a way you don't normally do, step to it, and make it happen!

This week's story is found in Matthew 18:1-6 Be sure to check it out and keep exploring God's Word together!
