

# PRESCHOOL Journal

October - Week 2

A new chapter in God's Story has brought sin into the world. This week we learned about Noah and the Flood, but something really cool comes at the end of the story - God makes a PROMISE to never send a flood like that to the earth again. He reminded Noah and His of this promise through a rainbow. Take the space below to draw a beautiful rainbow and write a promise God has made to you around it!

A large, empty rectangular box with a black border occupies the center of the page. It is intended for a child to draw a rainbow and write a promise around it.
