November - Week 3

This week brought another story that reminds us that God has a plan and nothing we do can get in the way of that! Recap the story of Joseph as found in Genesis 37 and 40-45. It is a big story with a lot of twists and turns, but it is clear that God can use even bad things for good according to His plan and purpose. Then, allow your child to use the space below to draw a picture of a beautiful, colorful coat - what they think Joseph's coat would've looked like from his Dad in Genesis 37:1-19.
