Week 1

This page is a supplement activity for Week 1: The Sun Stands Still. Have one person read the statements and then take turns guessing whether or not you think the statement is true or false! It is amazing to see all that God is capable of! Feel free to have fun and keep score. You can keep going with the game by finding more fun facts online and adjusting them to be true or false while your family guesses!

1. The temperature of a bolt of lightning is 50,000 degrees Fahrenheit. (True)
